

The 2009 UFE--Celebrating Excellence

Four gold medallists are identified from across Canada—one from each of the Western, Ontario, Quebec and Atlantic regions. The CA candidate with the highest standing in Canada on the 2009 UFE receives the Governor General’s Gold medal, which also includes a cash prize of \$5,000. Three other regional Gold medals will include a cash prize of \$2,500 each which is funded by the CICA.

The CASB Gold Medallist is the highest achiever on the Uniform Evaluation (UFE) in the CASB western region (encompassing British Columbia, Alberta, Saskatchewan, Manitoba and the Territories) and is named by the Canadian Institute of Chartered Accountants Board of Evaluators.

Each provincial institute in the CASB region honours the achievement of new CAs in a number of ways:
